RE: Free wireless in airports

I am a Continental Airlines frequent flyer and a member of its Presidents Club and support Continental's Petition to the FCC. I want Continental to be able to continue to provide its own wireless service to me and other members free of charge.

This would be at Boston Logan and other airports, which is a free service. I rely on Continental's seamless service wherever I fly. Thank you for ensuring the right of the public to use the wireless service of its choice.
